**SINCE TIME IMMEMORIAL, ALL BEAUTY HAS
ARISEN OUT OF HUMAN INSPIRATION AND
CREATIVITY, AND THIS BEAUTY IS PERHAPS
MORE MANIFESTED IN MUSIC THAN IN ANY
OTHER FORM OF ART.**

All the most inspiring music has lasted through the centuries, and we continue to play and enjoy the works of some of the most gifted composers in history to this day. These influential figures continue to inspire us, to never stop making music.

The Rodgers Inspire Series 227 and 233 organs were born from our belief in the power of inspiration. They combine the best in American tradition and the American future: a traditional pipe organ sound meets modern innovation for a spiritual experience like no other.

The Rodgers Inspire Series 227 and 233 bring this intense spiritual experience within reach of all organists, both at home and in church.

RODGERS®

**PROUDLY BLENDING
AMERICAN TRADITION
WITH THE FUTURE**

DESIGNED TO INSPIRE

RODGERS®

THE RODGERS INSPIRE SERIES IS NOT JUST THE PRODUCT OF HUMAN INSPIRATION: IT ALSO SEEKS TO INSPIRE OTHERS IN TURN - INCLUDING YOU, THE ORGANIST, YOUR AUDIENCE, AND THE CONGREGATION.

The Inspire Series 227 home organ and the Inspire Series 233 church organ are the two centerpieces of the Inspire Series. Designed and built in Hillsboro, Oregon, USA, in the rich tradition of American pipe organs, they boast the highest level of craftsmanship, meticulous detailing and an authentic, unmistakably American pipe organ sound. The Inspire Series is the result of ongoing research and innovation and enriches this uniquely American tradition with a high quality family of organs.

IMPROVED REAL-TIME FLEXIBILITY

One of the main innovations introduced by Rodgers is the voice palette system. The organs in the Inspire Series are equipped with a standard stop list and also feature three alternative styles or sample banks. The standard stop list – American Eclectic – is shown on the organs’ tab stops. The other available styles are English Cathedral, French Romantic and German Baroque. In addition, a Variant Library has been added with extra voices, which the player is free to select. These four styles and the Variant Library include only the highest quality pipe organ sounds.

CREATE YOUR OWN STOP LIST

While you are free to activate the entire stop list of one of these styles, the Inspire Series also allows you to combine voices from various styles. For example, you can select a Principal 8 from the American Eclectic style, a Prestant 4 from the French Romantic style, a Fifteenth 2 from the English Cathedral style, and Mixtur IV from the German Baroque style. You can combine all these styles to create your own unique stop list.

ARTISTIC FREEDOM

Sitting at the keyboards of the Inspire Series you give the music your own personal signature. We believe that inspiration can really only run wild once you are given free rein, and that’s ultimately why the Inspire Series was designed. Get Inspired.

SERIES 233

ENHANCING THE SPIRITUAL EXPERIENCE

WITH ITS STATE-OF-THE-ART 165 PIPE ORGAN VOICES IN FOUR DIFFERENT STYLES, THE INSPIRE SERIES 233 WAS ESPECIALLY DESIGNED TO ENHANCE THE SPIRITUAL EXPERIENCE. THE ORGAN FEATURES AN INTEGRATED 2.1 AUDIO SYSTEM AND CAN BE UPGRADED WITH AN EXTERNAL 4.1 AUDIO SYSTEM, MAKING IT IDEAL BOTH FOR USE AT HOME AND FOR A CHAPEL OF UP TO 200 PEOPLE.

ACCOMPANYING AND INSPIRING

The organ – available in an oak design in different colors – features two keyboards, a 32-note pedalboard, and 33 original voices in the standard stop list. The innovative voice palette system allows you to combine an infinite mix of voices in the various styles. This means the Inspire Series 233 is not just designed to give you the freedom to perform any style, but also – to inspire the gathering with celestial music.

INSPIRE SERIES 233

CREATE YOUR OWN SOUNDSCAPES WITH ORCHESTRAL VOICES

In addition, you have a number of orchestral voices to choose from, including piano, harp, strings, trumpet, and clarinet. With all these possibilities, the Inspire Series 233 gives you a blueprint for unlimited inspiration, enhancing the spiritual experience.
